

THE FASHIONOLOGY

ISSUE XXI, AUTUMN/WINTER 2019

S E T

THE REAL WOMAN

There is both mystery and order to the way the worlds work, and we can either sense it as a burden or a blessing, a miracle or not, depending on the perspective we claim as our own. As the seasons do not fear to change themselves, be not afraid to welcome change into your own mind, and into your heart.

Study nature, love nature, stay close to nature. It will never fail you.”
— Frank Lloyd Wright

Checked wool coat Art.° 66411 / checked blazer
Art.° 66826 / SET crest T-shirt Art.° 66188
checked palazzo trousers Art.° 66360
